VETOED ROAD BILL

GOVERNOR KNOCKED OUT $1,000 FOR THE LEE ROAD.

TAKES HIM TO TASK

State Auditor Says It Is a Debt That the State Owes and Will Have to Pay.

The special appropriation made by the last legislature of $1,000 for the Lee road east of Maryville, being introduced by Representative Craig, was vetoed by Governor Hadley last week in connection with other good roads laws that were passed by the legislature.

County Clerk George Demott received a quet wedding occurred Sunday evening Auditor Gordon, in which Mr. Gordon takes the governor severely to task for vetoing the good roads measure, and says:

"I was very much in hope that I could send you a check this morning by early mail to pay accounts on file in this office out of the good roads appropriation, but late yesterday afternoon the governor, for some unaccountable reason, vetoed the following goods roads appropriations:

"The one of $42,911.92 to pay the state's part of obligation on requisitions filed in this office in 1907 and 1908, and the one of $36,333.17 to pay for those filed during the year 1910. Also the $500,000 appropriated from what is known as the stamp act.

"I can not understand why he has vetoed these bills, because they are obligations that the state certainly owes. I am going to put the matter up to the attorney-general this morning and ask him if there is any way in which I, as auditor, can pay these accounts out of any other appropriation. This is the first and most severe blow that good roads have received in Missouri, but if the attorney-general can find any law by which I can pay these accounts, I am going to do so.

NEW SCHOOL LAWS

SUPERINTENDENT EVANS SENDS OUT FULL INFORMATION.

TO AID WEAK SCHOOLS

A Provision of the New Laws Is That Weak Districts May Get $80 Additional Money.

State Superintendent of Schools Evans sent out this week a letter explaining important points in regard to the school law which will be found below:

Section 10822, Revised School Laws, 1909, provides, "That no school district which fails to levy a tax of 40 cents on the $100 assessed valuation, unless the assessment of a less amount together with the moneys received from the public funds, shall amount to $350 for school purposes, shall receive any part of the public school moneys for the ensuing school year, and the county clerk shall omit such district in the apportionment of the public moneys."

The boards of directors of school districts are authorized to levy 40c without a vote of the district. It is evident that the above law requires all districts to levy 40c, unless the district has a very large valuation. County superintendents and county clerks should see that this law is enforced. County clerks are liable to prosecution for failure to enforce this law. County superintendents on or soon after May 15 of each year should carefully examine all the estimates of district clerks on file with the county clerk and approve all that are correct and that conform to the law and require all clerks in whose estimates errors are found to correct said errors, and comply with the law. It would be well for all estimates to be sent to the county superintendent for his approval and by him filed with the county clerk.

The school age is the same as heretofore, six years to twenty years. The enumeration of school children must be taken in the future as heretofore. All funds are apportioned on the enumeration this year and after this year the R. R. taxes and county and township funds will still be apportioned on an enumeration basis.

The Forty-sixth general assembly has repealed section 10846 and enacted a new section in lieu thereof, which takes effect before the apportionment of school funds this year. It provides a special state aid to weak rural schools of $80 per year or so much thereof as may be needed to maintain an eight months' school at $40 per month. Provided, that such districts,

1. Levy 65c for school purposes.

2. Have a valuation of $40,000 or less.

3. Have an area of six and one-quarter miles or more.

4. Enumerate 25 or more school children.

5. Have maintained during the past school term a daily attendance of 15 or more pupils.

Such districts under section 10822 must levy 40c. If they will vote 25c additional they may obtain $80 special aid. Few people know of this new law. County superintendents should go over their districts at once and notify the presidents and clerks of all districts that may secure aid under this new law. Boards of directors of all such districts under section 10796 can call a special meeting to increase the rate of levy to 65c on the $100. Boards can call this meeting without a petition.

Hon. E. W. Major, attorney-general, has rendered the following opinion on section 10937:

"According to Sec. 10937, R. S. Mo. 1909, and also under the provisions of our constitution, will say the county superintendent cannot engage in teaching in a public school, private school, normal school, college or in any special school. He cannot devote his time to teaching in any of these schools, no matter whether he receives compensation or not. His entire time must be devoted to the duties enjoined upon him under the statutes."

TO BE BIG SUCCESS

TEACHERS' MEETING, ORATORICAL CONTEST, TRACK MEET.

TAYLOR SPEAKS OF IT

Talks of the Program and Urges the Merchants to Decorate for This Event.

President H. K. Taylor of the Normal, in speaking of the oratorical contest, track meet and the meeting of the Northwest Teachers' Association to beheld in Maryville Thursday, Friday and Saturday, said to a reporter of The Democrat-Forum Monday: "This promises to be a great week for our town."

President Taylor continuing said:

"The first occasion will be the first session of the Northwest Missouri Teachers' Association at the High school auditorium Thursday evening at 8 o'clock. The second and third sessions of the association will be at 8:45 a. m. and 1:30 p. m. respectively, on Friday, at the Normal building. All of these sessions are open to the public and everybody is cordially invited. The oratorical contest will occur Friday evening at 8:15 in the High school chapel. There will be five boys and five girls in this contest and it will be exceedingly interesting and enjoyable. The orchestra of the Central High school of St. Joseph will furnish the music for the occasion. This organization is said to be much stronger than it was last year when they delighted everybody with their music. Saturday morning at 10 o'clock the preliminary heats of the track meet will be held and Saturday afternoon at 2 o'clock the track meet will occur.

"On Friday afternoon at 4:15 there will be a game of baseball between the Princeton High school and the Northwestern Normal school. Both teams are in good shape and the game will be interesting. An admission of 25 cents will be charged for this game. Up till 7 p. m. Friday evening the combination ticket for the oratorical contest and the track meet will be sold for 40 cents. Each one of these events singly will cost 25 cents. All persons holding tickets for the track meet will be admitted free to the trial heats on Saturday morning and all others will pay 10 cents for admission to these trial heats. Reserved seats in the grand stand for the track meet will be seld at 10 cents. I would urge that everybody buy the combination tickets from the boys who are selling them and thus save money and avoid a crowd around the ticket office on the day of the meet. The Grant City High school band and possibly the Conception band will furnish music all day Saturday. The question of entertainment of the crowd is a very important one. Dean Geo. H. Colbert has charge of this part of the work. May I ask that all who can take boarders call him within the next day or two either at the Normal school, Hanamo 143, or Bell 306, or at his residence, Hanamo 316, and state how many persons they can take and the sex preferred? The rate is $1 per day for room and meals.

"At the meet last year nothing provoked more favorable comment from the visitors than the decorations displayed by the business houses and the homes of the town. Mr. W. A. Rickenbrode is chairman of the committee on decoration. The colors of the Normal school are white and green and of the High school red and white. It will add greatly to the occasion if the stores and the homes of the town will display one or both of these colors and the national colors. We have a great opportunity of advertising the town and the Normal school and I hope every one will make use of this opportunity."

In Alaska Fourteen Years.

Mr. Hamilton spent fourteen years in the country of Nome and Dawson, and thinks there is no place in the world so desirable to live in and says the people are the best that have ever lived. But his wife, who was born and reared in that country, would not live there after a visit to Los Angeles, which is now their home.

I. O. O. F. MEMORIAL

92D ANNIVERSARY SERVICES AT M. E. CHURCH, SOUTH.

THE ORDER COMMENDED

Rev. Parvin Says Odd Fellows Are Doing Work That Church Fails, to Reach.

The I. O. O. F. memorial services at the M. E. Church, South, Sunday afternoon were well attended, Rebekah lodge also attending in a body.

The Rev. C. H. John presided over the services and read the Scripture lesson, which included the first Psalm and a portion of the 7th chapter of Mathew.

The music for the service was excellent. Prof. P. O. Landon, Leana Perrin, Harry Mutz and Orlo Quinn sang the quartet, "Shall I Be Forgotten." Miss Litta Roelfson sang "Oh, Ye Who Love," by T. Douglas Bird, preceding the sermon and Miss Besse Crandall sang at the close of the sermon a solo by Nevin, "Jesu Miserie."

Rev. John said, on opening the services ,that the observance of the day had a two-fold purpose—to honor the dead and cheer the mourners, and to commemorate the 92d anniversary of the order, and announced that Rev. W. J. Parvin would deliver the address. Two members of the Maryville lodge have passed away in the last year, W. A. Holliday on December 10, 1910, and I. A. Bennett on March 22, 1911.

Rev. Parvin said on beginning his address that he was glad he belonged to the Odd Fellows' lodge; that he would not belong to the order if he did not believe it had a place to fill in the world and that it filled that place; that the church does not fill the place the Odd Fellows' lodge fills, but that does not say that the church could not fill that place. The church should meet all human need, but since it has not done so and does not at the present time do so, the Odd Fellows lodge, with its vows of Friendship, Love and Truth so faithfully kept as they are in meeting the needs the church does not yet reach, should receive the sanction of all right-thinking men and women. There is a kinship between Odd Fellowship and the church.

The church made Odd Fellowship possible, it opened the way. Fraternalism proposes to bring some men into right relations to some men; Christianity, through the church, to bring all men into right relations with themselves and God.

Odd Fellowship is not religion, but it articulates with the church because its intention is to bring men into better relations for mutual benefit to one another. It restrains evil to some extent. The church drives it out of a man. The lodge does not save the degraded and cannot regenerate. The church of Jesus Christ does.

Odd Fellowship has its best men from the church. It owes its existence to the church. Odd Fellowship lays on real obligation upon men—that of secrecy. All other vows had been previously laid on them by the God of us all, an dthey owe the same obligations to all other men.

"You have voluntarily bound yourselves with certain men, but they are obligations that God had placed on us in the beginning, whether we acknowledge them or not," said Mr. Parvin.

Ralph Jameson and Harold Scleeman were in Arkoe Sunday visiting.

HAD LIVED IN THIS COUNTY 37 YEARS

The funeral services of the late Mrs. William X. Smith, who died at her home on East Edward street Friday afternoon of lung trouble after long weeks of illness, were held at the Christian church Sunday afternoon and were largely attended.

The Rev. Bricker preached the sermon, in which he said he had never known any one who was so thoroughly prepared to die and so eager to go and meet God as was the one just gone. A quartet composed of Mrs. F. P. Robinson, Miss Lillian Lindholm, H. J. Bricker and W. E. Goforth sang "The Way is Not Far," "We're Gathering Home, One by One," and "Come Unto Me, When Shadows Darkly Gather."

Burial services took place in Miriam cemetery. The pall bearers were W. W. Glass, W. C. Frank, J. T. Karr, J. D. Dickerson, Albert Bell, and R. A. Strawbridge.

The out-of-town relatives at the funeral services were Mr. and Mrs. Joel Dobbs and daughter, Miss Ruth, of McClouth, Kan., and another daughter, Mrs. Bernice Hurlbut of Kansas City, Kan.; William Dobbs of Savannah; Mr. and Mrs. George Baler and daughters, Misses Lucile and Pauline of Rosendale; Mrs. Charles Badger and Mrs. Martha Williams of St. Joseph; Mr. and Mrs. William Burks of Pickering; Mrs. Edward Housman of Rosendale. Also the following old friends and neighbors, mostly from White Cloud neighborhood: Mr. and Mrs. James Ruth of Parnell; Mr. and Mrs. J. C. Clayton, Mr. and Mrs. Nelson Ballah; Harvey Slates and his mother-in-law, Mrs. James Shipps; Mr. and Mrs. Raymond Jones, Mr. and Mrs. Elisha Cole, Mr. and Mrs. Pride, J. S. Miller, Mr. and Mrs. Robert Jones and Mr. and Mrs. William Goforth of Barnard.

Mrs. Smith's maiden name was Emilie Jane Dobbs. She was born in Andrew county, Mo., Aug. 21, 1847. On the 27th day of February, 1867, she was married to William X. Smith, who survives her. They continued their residence in Andrew county until 1874 when they came to Nodaway county, and settled on the old Terhune farm, southwest of Maryville, adjoining the Dr. Perry H. Talbott farm, where they lived three years. They then removed to their farm seven miles southwest of Maryville, by the White Cloud Baptist church, where they continued to live until the 15th of August 1910, when they moved to Maryville at 104 East Edward street, to retire from the active life of the farm.

Seven children were born to them, five of whom survive: Mrs. R. P. Yeaman and Mrs. H. E. Shipps of Maryville; J. Alden Smith and Fred, R. Smith of St. Joseph; and Claude C. Smith of New Bedford, Mass., all of whom attended the funeral, excepting the son in Massachusetts. Also Master Harley Smith of St. Joseph, the son of Mr. and Mrs. Alden Smith, and Mrs. Smith's mother, Mrs. J. C. Langheim of St. Joseph.

Mrs. Smith had been a member of the Christian church since young girlhood and was a devoted Christian wife and mother. She was especially known for her real worth in the Salem church in her old neighborhood, where she had been a valued church worker for many years. Weeks before her death she had "set her house in order" and was all ready to obey the final summons, leaving to her children and grand children the memory of many tender loving words of counsel and admonition.

New Rheumatism Remedy Is Antidote For Uric Acid.

"By thunder, I got a whole case—a dozen bottles of the 'Fuss' Rheumatism Cure, determined to get cured of my 3-year case of bull-dog

inflammatory rheumatism. I didn't need the dozen, you bet you,—three bottles knocked the daylights right out of it and cured me completely. The other nine bottles I gave to rheumatic friends, and they are hopping around pretty lively now, same as I am. 'Fuss' is a wonder."

This is but one of hundreds of similar reports on this amazing remedy, the only known antidote to uric acid. Furthermore, it is as safe as food, containing no chloral, opium, morphine, cocaine, alcohol, ether, chloroform or other stimulant or narcotic; not a drop.

"Fuss" gives immediate relief, and destroys uric acid in the blood which causes rheumatism, gout, lumbago and kidney trouble.

Don't hesitate but get "Fuss" and stop the agony right off and get cured.

"Fuss" Rheumatism Cure sold at $1.00 a bottle by all leading druggists or will be sent prepaid on receipt of $1.00, or 6 bottles for $5.00, by the Fuss Remedy Co., Flint, Mich.

DR. BRICKER WILL GIVE CLASS SERMON

Director Landon of the Maryville Conservatory announces that the graduating exercises will take place Friday night, May 19, in the First Baptist church.

The class sermon will be preached Sunday morning, May 14, in the First Christian church by the pastor, Dr. L. O. Bricker.

The post-graduate recital, to be given by Miss Eva Davis, will be given in recital hall, Tuesday evening, May 16th.

The program for the graduating exercises will be quite varied this year. Instead of the usual solo numbers by the graduates, Director Landon has arranged for three pianos to be in use at the same time several times during the evening. In one number four students will play at two pianos. In another number six students will play at three pianos, two at two pianos, and there will be solos and duets besides.

This will be an innovation and quite a change from the usual commencement program.

CAUTION: AGAINST TIN CAN DAY, MAY 6

The boys and girls and all others who are going to enter the contest to win the prize money for all the tin cans and other useless articles and pieces of old tin that render a premises unsightly in a community, are cautioned about going to the city junk pile to gather their rubbish.

The city junk pile must be let alone entirely in this contest and if it should be found that any one has taken anything from the city rubbish pile in order to bring in a large number, they will be required to forfeit the prize money.

A town not very far from Maryville held a "Tin Can Day" not so very long ago, and it required more than $50 to pay for the cans at the rate of one cent per dozen.

Wonder how many Maryville will have?

TEXAS CHANGES BUTTER MAP

Cows of Lone Star State Sending Product to Large Portion of America.

San Antonio, Tex., April 24.—Texas butter now spreads almost a third of America's bread. There was a time when the Elgin product was found on half of the city tables in the land. But the Texas cow has changed the butter map of this country.

The business of butter making, according to statistical reports, has grown more rapidly in the Lone Star state than any other state in the union. It is estimated that there are more than 3,000 herds of Jersey and Holstein cows in Texas today. Many of these are managed by women, some of whom have grown wealthy making butter for the market centers of the country.

Many of the large ranches which a few years ago were used for growing beef cattle are now occupied by dairy cows, and so profitable has this business become that others are going out of the beef producing business into the manufacture of butter.

Wants Gaynor to Explain.

New York, April 24.—Mayor Gaynor will be asked by the grand jury to testify about the crime wave. Being chief executive of the city, he will not be subpoenaed, but either the foreman of the grand jury or the district attorney will invite him.

Stripling Denied Pardon by Brown.

Atlanta, Ga., April 24.—The application for pardon of Thomas E. Stripling was denied by Governor Brown. Stripling was formerly chief of police at Danville, Va., and was under life sentence for killing W. J. Corbett.

HAIR INSURANCE

INSURANCE AGAINST PREMATURELY GRAY HAIR.

In these up-to-date days, it is possible to purchase insurance on anything. Insurance is, practically, taking a chance, with the chances figured largely in favor of those issuing the insurance—not those who buy it. Hair insurance is different, in that the one buying the insurance obtains full value at the outset, with correspondingly increased values for the greater amount bought; while the sellers of this insurance are likely to lose unless the purchasers obtain full value at once.

This applies to Wyeth's Sage and Sulphur Hair Remedy, for if it does not do exactly what is claimed for it, the sales would naturally drop off; whereas if it gives satisfaction the increased sales give it the only chance to be successful. However, Wyeth's Sage and Sulphur Hair Remedy does "make good," as evidenced by its daily increasing sales. Druggists say that this preparation gives the best satisfaction of any hair remedy ever sold. Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It removes dandruff, strengthens the hair, gives new life to dull or parched hair, and gradually restores gray hair to natural color. This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.

Orear-Henry Drug Co. Sells Remarkable Catarrh Cure.

Pour a few drops of HYOMEI (pronounced High-o-me) into the hard rubber inhaler and you can then breathe into the lungs the very same antiseptic, germ killing air as you would breathe in the Australian forests of eucalyptus, where catarrh is unknown.

And HYOMEI is so pleasant to use; you'll like to use it; when you breathe it the effect on the inflamed catarrh infested and germ ridden membrane is soothing and healing.

In five minutes you get such wonderful relief that you will know that at last you have a cure for catarrh.

A HYOMEI outfit which consists of one bottle of HYOMEI, a hard rubber pocket inhaler, a medicine dropper and simple instructions for use, costs only $1.00, and extra bottles of HYOMEI, if afterward needed, cost only 50 cents.

And besides catarrh, remember that HYOMEI is guaranteed to cure asthma, croup, bronchitis, coughs, colds, sore throat, or money back. HYOMEI is sold by leading druggists everywhere, and by a Trial sample free from Orear-Henry Drug Co.

CARNEGIE MAY BE CALLED BEFORE JURY

Ironmaster to Be Requested to Tell of Trust Company.

New York, April 24.—The investigation of the relations of City Chamberlain Hyde with the financiers who wrecked the Carnegie Trust company has taken a turn that probably will call for the appearance of Andrew Carnegie before the grand jury. If the ironmaster is subpoenaed his presence will be desired for the purpose of furnishing an explanation of the confidence displayed by William J. Cummins, who referred the grand jury to "my friend, Andrew Carnegie, who will tell you there is not a crooked hair on William J. Cummins' head."

The grand jury recalled that on two occasions Mr. Carnegie had come to the rescue of the Carnegie Trust company, once at the solicitation of Charles M. Schwab and others closely associated with Mr. Carnegie and later with a loan of $2,100,000 when the company was in a tight place and while Cummins was the active head of the concern.

This is one of the greatest draft horses in Nodaway county. He has style and action like a Coach horse. Big square fellow with plenty of big flat bone and has a quiet disposition. This horse's colts are big square fellows with good bone and Thorney Herold is clean, without a puff on him, is as sound a horse as ever looked out of a pair of eyes and he has good eyes to look with, too.

TERMS—$15 to insure colt to stand and suck. Money due when colt stands. Colt held for service fee. Money due when party moves out of the neighborhood or parts with mare without my consent. Care will be taken to prevent accidents but will not be responsible should any occur.
